

Attendance: Georgia, Sam, Josh, Kya, Crystalline, Kaylun, Kian, Allissa, Aleks, Aimee, Tyler, Lucy, Pippa, Shaye, Charlie.

Apologies: L. Chilmaid, Frankie

1. 'Walk on Wednesday' initiative will only be running on dry days as there will not be any adults supervising the outdoor areas during the wet weather – children will have wet playtimes.
2. In November, we participated in the Switch off Fortnight initiative to raise awareness on conservation of power used in school. The chn carried out an energy audit in the school over 2 weeks and the final energy audit identified that if we kept this up over a year, it could be a difference of -690 kWh.
3. After school on the 12/12/2016, the children held a book, cake and toy sale for FS, KS1 and 2. The remaining cakes and items were sold off over the following couple of days and coincided with parents visiting to watch the FS and KS1 performances. As a result, £184.30 was raised for OcuMel UK, an eye cancer charity and presented to Kelly Luff, who suffers with a rare form of eye cancer.
4. Hatters Day – TBC
5. Love in a Box - 10th February 2017
6. School Parliament want schools to run a competition for a super hero bin character and a slogan for using bins. The children are to design a poster or sign that can be put on bins to encourage other children and families to use them.
The schools council are to pick the best two from their school and bring them to the schools parliament on 30th January where schools parliament will decide on a finalist.
7. As a follow up, school is to organise a litter pick on Friday 10th March 2017 – check to see if the Bedwell councillor (E.C.) can attend.
8. As a school, our latest Eco venture will be to save water. We are to make a pledge to do this by: turning all the taps off, watering plants with rain water and only filling our water bottles/cups up half way as this gives everyone fresh cold water as and when they need it; we want to drink lots but we don't want to waste a drop.
9. Schools parliament children are to visit the Cavendish road refuse site, Cavendish Road, Stevenage, SG1 2ET on 13th March 2017 from 10 – 12noon.

10.AOB

Push button taps letter to Mrs Currant & governors.

Love in a box posters to be made and placed around the school – information to go on newsletter. Date for collection: February 10th.
