

Foundation Status

'Following their discussion of the responses to the foundation status consultation and the TUPE consultation, and having had regard to the relevant factors as the decision maker for a change of category to foundation status as set out in the Department of Education's publication "Guidance for decision makers" (April 2016), the governors decided to proceed with a change of category to foundation status. The proposal was therefore approved without modification. This change of category to foundation status will be implemented from 1st October 2017.'
