

**Broom Barns School Stevenage.**

**Parental permission to watch PG films**

From time to time class teachers wish to show DVD/Videos to the class as a treat or part as their lesson. Although we can show U certificates without permission, we still need parental permission to allow them to see a PG or higher certificate films. It would help administration in school if you could give your permission for your child to watch all PG films. Please be assured that any films shown will have already been approved by the class teacher. This form is valid for the period of time your child attends this school. Please contact the school at any time if you wish to withdraw your consent.

These permission slips need to be stored in each class file so we need one for each child in your family.
