

Pupil Premium Grant Funding – Planned Expenditure 2016-17

Overview of the school

Broom Barns Community Primary School is an inclusive school where we aim to inspire and empower our children to learn by providing a stimulating and exciting learning environment. We will provide a modern and relevant curriculum to enable all children to achieve their full potential regardless of gender, beliefs and academic ability. We recognise each child as an individual and encourage them to become resilient, independent, confident and happy children who can think for themselves. This is underpinned by a core set of values, which will prepare them for today's society.

R – resilient

I – independent

C – confident

H – happy

In order to fully achieve our aims as a school we utilise our pupil premium funding to ensure all of our children have access to the same learning and development opportunities as other children, giving them the best possible education whilst at our school.

The table below shows how will spend our Pupil Premium funding during the period April 2016 to March 2017.
