Contextual Information (if any)
Broom Barns is a school with a very high level of need: disadvantaged 36%, FSM 31% and SEN 22%. The school is situated in the Bedwell area of Stevenage which has a very high level of deprivation. Many families required support during lockdown with food, mental health and educational support. A range of online and paper based learning was set and staff rang every child at least weekly to support with their learning and any support they needed as a family. Year group emails were set up to further allow communication between parents and teaching staff. Engagement with home learning was low.

Summary of Key Priorities (related to overcoming challenges for pupils catching up on lost learning)	
A.	Ensure that all children are thoroughly, appropriately and accurately baselined to identify gaps/learning needs and any support required for mental health. Provision to be mapped from this point and regularly reviewed to enable progress to be tracked.
B.	Approaches to learning which both champion the need to return to a regular pattern of work but take into account the emotional barriers and potential mental health impacts that home schooling may have had.
C.	Rapid and sustained catch up that allows all children to access the curriculum for their new key stage/year group quickly, or whatever the appropriate curriculum for individuals with additional needs may be.

Summary of Expected Outcomes	
A.	Children to relish the return to school, settling back into new routines and following behavioural expectations with immediate effect. Early years children will settle quickly into their new setting.
B.	By end of Autumn term children should, with quality first teaching and support where required, have regained academic confidence to resume their learning at their expected key stage/level. Any children identified as not meeting this expectation are further targeted for intervention.
C.	Children in Year 1/2/4 and 6 who will be expected to undertake formalised assessment over the year to have the support to close any gaps that have occurred to ensure they are ready to approach their testing with confidence. The school expects, over the course of the year, to be able to guide the children to a point where outcomes are broadly in line with previous years.

Summary of Catch-up Strategy

STRAND 1: TEACHING AND WHOLE SCHOOL STRATEGIES							
Element of Strand	Action/Strategy	Which pupils have been targeted for this strategy? Who will benefit?	Expected Impact	Staff lead	Monitoring: When and how will you evaluate impact?	Cost (School Budget)	Cost (National Funding)
Supporting great teaching	Continued, thorough and focussed monitoring programme. Clear calendar for monitoring focused on key priorities and shared with staff. Training/CDP for staff as required.	Across all classes	SLT and Maths/English/Phonics leaders will be able to see the quality of practice occurring, observe the progress of the children and content being taught and support where necessary.	JC/JP	Monitoring calendar in place and shared with all staff. Observations recorded in writing for whole school feedback and for individuals.
