6th November 2020

Dear Parents/Carers

I hope that you all had a restful half term break.

In light of the national lockdown, as announced by Boris Johnson on Saturday, and the increasing trend in COVID-19 cases, we have reviewed the school risk assessment. As such, I would like to remind you of the use of facemasks and inform you of the following change in our current measures as per guidance received:

- All parents and visitors (unless medically exempt as per government guidance) must wear a facemask whilst on school grounds.
- Staff will wear masks at classroom doors and outside if arriving/leaving whilst parents/carers are onsite.
- The marked out area/boxes outside class doors are for staff only.
- Without exception – all parents/carers/pupils must keep to the one-way system and not take shortcuts.
- Please ensure you socially distance.
- All extracurricular clubs (sports) have been suspended for this lockdown period, as per government guidance.
- Breakfast club, boosters, enrichments and interventions can still take place.

I feel that the measures we have in place are proportionate and appropriate, whilst being mindful of the impact of our ability to deliver the curriculum and staff and student wellbeing. We will continue to keep protective measures in place and under constant review and will adjust our response accordingly should the situation change.

I hope the above is clear, but please do contact the school should you require any further clarification.

Best wishes and stay safe.

Mrs Currant
