

Meet the Teaching Assistant

About me

I have been a teaching assistant at Broom Barns for 9 years and love my job. I live with my husband and three children and my little pug called Ernie.

At school I enjoy playing in the lovely reception/year 1 garden and I like being creative in the art area with glitter and sparkles. My favourite colour is purple.

Mrs Cunningham

My favourite food

I am vegetarian and love trying new vegetarian meals. I also like chocolate!

My favourite animal

My favourite animal is my 5 $\frac{1}{2}$ year old pug called Ernie. I also love giraffes and elephants..

I like to...

I enjoy walking, meeting up with friends and I enjoy watching my children take part in their sporting activities.

I love the seaside too.
