

Welcome to Year 6

Year 6's Reading Area

These are the adults working in my class.

Mrs Phillips

Mrs Webb

Deputy Head teacher

HLTA

Our P.E. days are Monday and Tuesday, you will need suitable P.E. kit for both indoors and outside.

Home learning is given out on a Friday and is due in the following Friday. This provides a valuable opportunity to revisit skills learnt in school, and when you are able to talk through your learning with an adult, it reinforces your understanding. Spellings will be put on Ed Shed on a Friday to be learnt for the following Friday. You should read as much as possible to further develop your English skills; as little as 15 minutes a day can make a big difference.

Year 6 classroom

Broom Barns Head Boy and Head Girl

Interviews for head boy, head girl, deputy head boy and deputy head girl will take place in September. Should you wish to apply for one of these positions, you will need to write a letter to the head teacher explaining why you feel you would be good at representing the school. There will then be short interviews with the head and deputy head teachers.

School Uniform

Year 6 children are allowed to wear black items of school uniform if they wish to.

Class 6 Jobs

Year 6 children carry out a number of important jobs such as: music monitor, fire register monitor, chair monitor, Reception monitor, play leaders etc.

Mobile Phones

Once you are in year 6, you will be allowed to bring a mobile phone in to school but your phone must go to the office where it will be kept until the end of the day.

Our Learning

This term we will be learning about the Victorians in our history lessons. In geography we will be learning about settlements and migration. Our art will be linked to the artist William Morris and in science we will look at evolution, inheritance and living things and their habitats. We will focus on dance and gymnastics in P.E. Some of the writing genres we will cover in English are: biographical writing, narrative, poetry and persuasive writing. We will also have a huge focus on reading in year 6. Initially, we will be working on place value, mental maths and the four operations in our maths lessons.
