

# Nursery News

4<sup>th</sup> May 2020

We hope that all of our families are well and keeping safe. This week we have continued to focus on People Who Help Us for our theme. In our suggested activities we have included the armed forces as it is also VE day on Friday. This year VE (Victory in Europe) day marks 75 years since Hitler was defeated and a very important moment in our history. The Nursery Team are disappointed that we cannot celebrate the day with the children but would love to see some of your photos of the activities that they are keeping busy with at home. There are several ways that you can do this:

**Evidence Me** – if you haven't had an email asking you to sign up to your child's online learning journal please let us know at [admin@broombarns.herts.sch.uk](mailto:admin@broombarns.herts.sch.uk)

**Instagram** – if you are happy for your child's pictures to go on Instagram email us at [parents@broombarns.herts.sch.uk](mailto:parents@broombarns.herts.sch.uk)

**Email** – if you do not want your child's photo to go on Instagram but would like to share it with the Nursery staff email us at [eyfs@broombarns.herts.sch.uk](mailto:eyfs@broombarns.herts.sch.uk)

I wonder if any of the teachers will send their photos in?

## Keeping Active

It is important for our mental and physical health to stay active, but very tricky while we are in quarantine. Mrs Hogan has been learning yoga with Happy Little Yogis at <https://www.youtube.com/channel/UCQQvW4mmbGC0dcpvzujUNtQ> or you could try your moves to some Disney themes at <https://www.nhs.uk/10-minute-shake-up/shake-ups>. Mr K. has been adding a daily activity to the FOBBS Facebook page for you to try. Or you could take a try dancing to some of the tunes that were played at the stay and play last time. Take a look at the home learning suggestions on our website in the Nursery section for more suggestions.

## People Who Help US

Our focus this week will be people who help us in hospitals and the armed forces.

Check out the Nursery page on our website <https://broombarns.herts.sch.uk/classes/nursery/> for lots of ideas. You can also take a look at the Cbeebies programme "Get Well Soon" for games and information.

Thank you for your continuing support.
