I will need all of these things when I start school...

A red cardigan or jumper

A white polo shirt

Black shoes

Wellie boots

Dark grey trousers or skirt

Weather appropriate outside clothing (such as a warm waterproof coat or sunhat) as the children are allowed access to the garden all year round

A drawstring bag, available on Arbor for £3

NO rucksacks please as we do not have the space to accommodate them.

A school book bag, available on Arbor for £4

A water bottle

My grown-ups must remember to put my name on everything so that it will not get lost.

When I come into school, I find my peg and hang up my coat.

I put my bookbag in the clear tub and my bottle in the red basket.

My red drawstring bag stays at school and should have named spare clothes in it in case I need to get changed.

This is my inside and outside
classroom.

We learn inside and outside
whatever the weather!

I need to make sure I have wellies
at school so I can go on the grass
when it is muddy.

I also need to remember warm,
waterproof clothes when it is wet
and cold, or my sun hat and water
bottle when it is hot.

This is the carpet area. I sit here during morning welcome time, when we learn new things together during carpet sessions, and for singing songs and listening to stories at the end of the morning.

Everyone has their own star they can sit on so that we can all see.

These are the toilets and sinks.
I must remember to wash my
hands after I go to the toilet and
before I eat snack.
