RE Intent, Implementation and Impact Statement

Curriculum Intent

Religious Education (RE) is taught across the whole school. It is taught both discreetly and where suitable, with a cross curricular approach. Through this, we aim to promote the spiritual, moral, and cultural development of all pupils.

Implementation

- We follow the Hertfordshire Locally Agreed Syllabus of Religious Education (Revised 2017) and teachers using 'The Wheel' of skills from 'Religion for Today and Tomorrow' document to aid their planning and teaching
- Each class has dedicated learning time for PSHRE, but teachers are flexible and address any related issues as and when they come up
- Weekly head teacher's assembly where core values are addressed each week including – respect, kindness, courage, peace etc.
- Weekly celebration assembly where pupil's birthdays are celebrated
- Understanding the World – People and Communities is a specific area of the EYFS curriculum and is developed through play
- Staff meetings to address updates/changes in curriculum and to share good practice
- Class RE book to show off learning

Impact

- Children will be taught to tolerate, respect and understand other people's views, beliefs and practices.
- Children will develop their own sense of value and self-worth
- Children will be encouraged to be curious and to have a desire to question, explore and reflect
