

Opportunities to be R.I.C.H in our curriculum - Geography

- Challenge what you think you know about different cultures and environments.
- Understand that making mistakes is how we learn.
- Treat your peers and other cultures with a growth mind-set.
- Work collectively to support your personal and your peers' learning.

- Choose and use resources to support your learning.
- Know how to find out about places and the differences and similarities between them.
- Use feedback to improve your skills and consider next steps.
- Set yourself achievable goals.

- Grow and develop an interest to learn about different cultures.
- Present ideas and answers during whole class discussions.
- Have a go at using geographical vocabulary.
- Become an assertive learner who makes clear decisions.

- Inquisitive about where places are and what they look like.
- Work hard to become an expert in fieldwork skills and geographical techniques.
- Accept challenges and use them as an opportunity to boost your learning.
- Recognise when something is too challenging and seek support.
