

# Moving to Year 2

It's me, Mrs Harvey. I can't wait to teach you all, I have already taught some of your brothers and sisters. We will work very hard but we will also have lots of fun.

There will also be two other adults in our class to help you with your learning too, Mrs B and Miss McKinlay.

Not only do we have a lovely reading area in class 2, we also have a sofa.

You will have your very own carpet spot!

Reading at home is VERY important so we celebrate every time you read 5 books.

Just some of the things we will learn about when you are in Class 2
