

I have many things I enjoy doing. They are: looking after my grandchildren Teddy, Macy and Jesse,walking my little dog Hallie, reading lots of books, doing lots of exercise and eating lots of chocolate !!! English is my favourite subject, followed by history. I can't wait to get to know you all and help you with your work.

Our dedicated support staff will be helping you reach your full potential in Year 5!

Mrs Phillips

I am a dog lover and I have a 10 year old Collie called Molly. My passions are travelling and reading books. I am terrified of spiders and not keen on chocolate but I love ice cream. My favourite subjects are: maths, history and geography. I am bilingual.

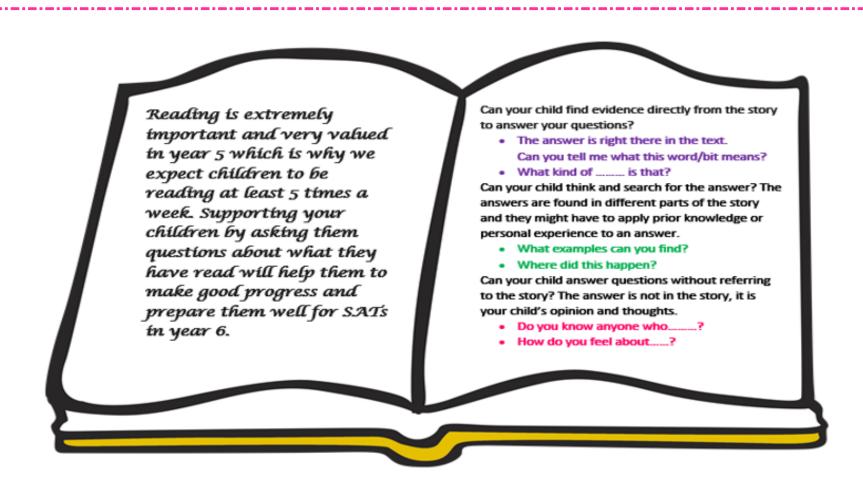

I am looking forward to knowing you all and watching you grow.

Mrs O'Sullivan

Every morning starts with EMW (early morning work). EMW is incredibly important because it helps us revise our learning and gives us a great opportunity to practise things like arithmetic, key vocabulary from Science and Topic lessons, as well as questioning and problem-solving skills. This is why arriving at school on time is so important. It is 50 minutes a week of revision, which equals almost 32 hours over the whole year5.

Have a restful summer and enjoy some good books! Hoping your summer includes lots of family time, ice cream, swimming, laughter, and fabulous memories! We look forward to seeing you in September. From the Year 5 Team ©
