

I have many things I enjoy doing. They are: looking after my grandchildren Teddy, Macy and Jesse, walking my little dog Hallie, reading lots of books, doing lots of exercise and eating lots of chocolate !!! English is my favourite subject, followed by history. I can't wait to get to know you all and help you with your work.

Our dedicated support staff will be helping you reach your full potential in Year 5!

Mrs Hayhurst

Mr Monk

I am a dog lover and I have a 11 year old Collie called Molly. My passions are travelling and reading books. I am terrified of spiders and not keen on chocolate but I love ice cream. My favourite subjects are: maths, history and geography. I am bilingual.

I am looking forward to knowing you all and watching you grow.

Every morning starts with EMW (early morning work). EMW is incredibly important because it helps us revise our learning and gives us a great opportunity to practise things like arithmetic, key vocabulary from Science and Topic lessons, as well as questioning and problem-solving skills. This is why arriving at school on time is so important. It is 50 minutes a week of revision, which equals almost 32 hours over the whole year5.

Reading is extremely important and very valued in year 5 which is why we expect children to be reading at least 5 times a week. Supporting your children by asking them questions about what they have read will help them to make good progress and prepare them well for SATs in year 6.

Can your child find evidence directly from the story to answer your questions?

- The answer is right there in the text.
Can you tell me what this word/bit means?
- What kind of _____ is that?

Can your child think and search for the answer? The answers are found in different parts of the story and they might have to apply prior knowledge or personal experience to an answer.

- What examples can you find?
- Where did this happen?

Can your child answer questions without referring to the story? The answer is not in the story, it is your child's opinion and thoughts.

- Do you know anyone who.....?
- How do you feel about.....?

Have a restful summer and enjoy some good books! Hoping your summer includes lots of family time, ice cream, swimming, laughter, and fabulous memories! We look forward to seeing you in September. From the Year 5 Team ☺
