Class 3 Curriculum Jan-Feb

<p>Maths</p> 	<p>English</p> 	<p>Science</p> 	<p>P.E.</p> 	
<p>Multiplication and Division</p> <p>We will start the term continuing to build on our 3-, 4- and 8-timestables. Then we will learn how to use column method to times and divide.</p>	<p>Persuasive speeches, Narratives and memoirs</p> <p>We will build on both our reading and writing using different engaging books and focused spelling & grammar lessons.</p>	<p>Animals including humans</p> <p>We will explore how animals move and why we have a skeleton? We will look at animals with exoskeletons and endoskeletons.</p>	<p>Swimming Games – Net/Wall and Tennis</p> <p>On Tuesdays, the children will be swimming. On Thursdays, the children will look at netball, basketball and rugby.</p>	
<p>History</p> 	<p>Geography</p> 	<p>Design Technology</p> 	<p>R.E.</p> 	
<p>Ancient Egypt</p> <p>Year 3 will be exploring how the Ancient Egyptian people lived and what they ate. They will explore why mummies were made and who built the pyramids.</p>	<p>North America</p> <p>The children will be focusing on the continent of North America. We will look at the various climate zones and biomes across the continent.</p>	<p>The Great British Bread off</p> <p>Children will be making bread with ingredients that they choose and learning about why we need to eat carbohydrates.</p>	<p>Pilgrimages</p> <p>In R.E we will look at all the different religions of the world and why people make pilgrimages. We will look at holy sites around the world that are visited by pilgrims.</p>	
<p>Computing</p> 	<p>P.S.H.R.E.</p> 	<p>Art</p> 	<p>Music</p>	<p>Modern Foreign Language</p> 
<p>Coding/Spreadsheets</p>	<p>Healthy Relationships</p>	<p>Working with shape and colour</p>	<p>Recorders</p>	<p>French</p>
<p>In Purple Mash the children will continue to build skills in touch typing, branching (a database) and how to write and send an email.</p>	<p>We will be exploring jobs that people do, how the internet is used and why we need rules and laws.</p>	<p>Children will make a collage and then build up to a print using simple shapes and colours.</p>	<p>The children will be learning how to use the recorder and to read sheet music.</p>	<p>We are continuing our French lessons by looking at animals and then fruits and vegetables.</p>
