19th May 2023

Dear Year 6 Parents/Carers

Year 6 Events and Dates 2024

We would like to make sure that Year 6 is a special year for your child by organising unique events and trips. We understand parents/carers prefer as much notice as possible for trips so they can spread the cost.

Knex Challenge Day – paid in full by the school

The children will work together with Knex construction kits and a STEM ambassador, demonstrating their problem solving skills, their imagination, creativity and ingenuity.

Leaver Hoodie and T-Shirt

You will be able to order a 'Leaver Hoodie', in the size of your choice, for your child. Order forms will go out in the new school year.

27th June – Warner Bros Studios

The tour provides an amazing new opportunity to explore the magic of 'Harry Potter'. This unique walking tour takes you behind-the-scenes and showcases a huge array of beautiful sets, costumes and props.

4th July – Legoland

At Legoland the children can explore the world of mythical creatures, drive their first car, venture on to the exhilarating rides and, if the weather permits, the children will be able to play in 'Drench Towers'.

10th July at 6pm – Production

The children will be performing to parents, grandparents and other family members.

11th July - Move Up Day.

Year 6 children do not come to Broom Barns on 11th July as they will be visiting their new secondary schools for the day.

11th July – Parent Consultation

18th July - Year 6 Leaver's Party at Hollywood Bowl and McDonalds – paid in full by the school

We will walk to Hollywood Bowl, for a game of bowling before having lunch in McDonalds and then returning to school in the afternoon.

Last week of term – Party Lunch – paid in full by the school

We will be providing cheese/tomato and pepperoni pizzas for a class party and if the weather is suitable the children may also have a water fight on the school field.

19th July at 9am – Leaver's Assembly

All parents and grandparents welcome to join us for the Year 6 Leaver's assembly.

Coach Cost Changes

We have looked at many coach companies and provisionally booked the cheapest, but from October 2022, the "Clean Air or Low emissions zones" increased out to include North & South Circular. Any large vehicles, including coaches, will incur a fee of £100 on entering the zone if it is Euro V or under. Due to this, the coach companies have had to increase their prices.

Overall Cost

The total cost will be £110, this includes; coaches to and from trips, entrance to Warner Bros Studios and Legoland, a hoodie and T-shirt.

We will set this up in your Arbor App so you can spread the cost over the year and pay in £10 instalments

Kind regards

Mrs J Phillips

Deputy Headteacher & Y6 Class Teacher
