

**Broom Barns Community
Primary School**

Welcome to Year 1

For a year of fun learning and positivity!

Miss Greed
Teacher

Mrs Cunningham
HLTA

Mrs Ahmed
HLTA

Mrs Sadiq
Teaching Assistant

These are the teachers in our year 1 class. I will show them great listening skills so we can have exciting lessons and learn lots of new things.

I will be going into Year 1. This is the gate that I will walk through every morning.

This is our new classroom where we will learn lots of new things. I will have my own carpet space.

This is the cloakroom where I will hang my coat and PE bag on my peg. I will have a drawer for my book bag.

We will have PE on Wednesday and Thursday. I will bring my PE kit to school on these days to get changed into at school.

I can choose my own exciting books and magazines to read from our book corner. As a class, we will change this throughout the year and get to share about the different kinds of books we love reading.

These are the Year 1 desks. I can do lots of learning here with my friends and by myself.

This is where I will line up for lunch time.

This is where I will go to the toilet in the classroom. The toilets are in the cloakroom.

This is where I will wash my hands.

This is the assembly hall. I can earn a certificate if I try my best all week!

In year 1 we are:

R - resilient

I - independent

C - confident

H - happy
